

Journeying Towards Congress 2019

Our preparation has begun...

Strands that might shape critical conversations...

1. Catholic Identity: **Catholic Education Today and Tomorrow.**
2. Religious Education: **Hope in challenging times**
3. The vocation of teaching & learning in the 21st Century (fourth industrial revolution, environmental sustainability, emotional intelligence): **Called to teach in the 21st Century.**
4. Governance and Leadership (Getting it right for our times!): **Governing and leading Catholic schools ethically.**
5. Models for Sustainability (Ownership, collaboration and advocacy): **Growing our South African Catholic schools**
